

# GMO-Free The Choice is Yours!

As the GMO issue continues to heat up, many of your customers are seeking a GMO-free diet. Research shows that approximately half of all Americans are unsure about GMO products.

We listened! That's what the category leader does.

Today Par-Way Tryson is proud to introduce Vegalene® GMO-Free Food Release Spray.

Blended using premium quality oils, our GMO-Free spray offers the same unsurpassed quality, performance and value you've come to expect from our products, including:

- Higher Yield. Covers more pans per can than other sprays\*
- Consistency. Up to 30% more release agents for a more consistent release
- Increase productivity with a faster, easier cleanup
- Better overall coverage for pans and utensils thanks to a superior spray pattern
- No gummy residue build up
