

A close-up photograph of various baked goods. In the foreground, there are several large, round, golden-brown rolls, some of which are sliced open to reveal a dark, swirled filling. To the right, there are several small, round, golden-brown donuts. In the background, there are more breads, including a large, round, golden-brown loaf and a smaller, round, golden-brown loaf. A black, multi-paned donut pan is visible on the right side of the image.

A Perfect Turnout

Bak-klene® All Purpose

Bak-klene® All Purpose eliminates the need to grease and flour while delivering quality results every time. Enjoy easy release and crowns that rise higher to produce a lighter, moister product.

The Flexibility You Expect. The Release You Demand.

- Perfect for cake, muffin and bread pans and screens
- Ideal for fresh, par-baked and frozen dough
- Formulated with an even suspension of ingredients to protect pans against fruit acid damage
- Helps promote a rich, golden crumb color

Ingredients: Canola Oil, Corn Starch, Soy Lecithin, Natural Flavor and Propellant.

Product Yields

Pan Type	Pan Size	Per Aerosol Can
Muffin	2 ½" cup 16 ½" x 12 ½"	95 – 105 pans
Sheet Pan	26" x 18"	100 – 110 pans
Bread Pan	9 ½" x 5"	275 – 290 pans
Cake Pan	10" x 2"	260 – 275 pans

Bak-klene® All Purpose ZT

Bak-klene® All Purpose ZT bakery spray is specifically formulated for superior release. Ideal for a broad range of applications from breads to cakes and other high-ratio baked goods, resulting in a rich, golden crumb color with a clean, easy release every time.

Keep Quality Up and Costs Down

- Use up to 50% less oil versus the brush-and-pail method
- Thorough pan coverage improves yield and reduces throwaways
- Extends usage life of pans

Ingredients: Canola Oil, Mineral Oil, Wheat Starch, Sunflower Lecithin, Capric/Caprylic Triglycerides, Natural Flavor and Propellant.

Product Yields
