

One brand, endless solutions.

Versa® delivers outstanding versatility, quality and value for all your cooking and baking needs. You know you can count on the superior quality, variety and purity of the Versa brand.

Versa® cooking and baking sprays promise to ease your food preparation needs while exceeding your expectations for exceptional value and unparalleled performance.

All of our pan sprays are trans-fat free, are low in saturated fat for increased dietary health and available in three quality tiers because we understand that the different types of operations have different needs.

VERSA® PREMIER

Versa® Premier is formulated for efficient and high performance cooking and baking and is perfect for all types of bakeware.

VERSA® MERIT

Versa® Merit is ideal for all cooking applications and kitchen uses.

VERSA® ESSENTIALS

Versa® Essentials is an ideal food release for the economy minded operator.

Versa® brand products are Gluten free, Kosher and packed in steel cans that are produced with 25% recycled steel.
