**NO-STICK BAKERY SPRAY  
FOR CAKES AND BREADS**

*The Flexibility You Expect.  
The Release You Demand.*

- A Unique Blend of Wheat Starch and Pure Vegetable Oil.
- Clean & Easy to Use for Sweet Goods.
  - no need to “grease and flour”.
  - the even suspension of wheat starch protects pans against fruit acid damage.
  - crowns rise higher to produce a lighter, moister product.
- Perfect for Bread Pans and Screens.
  - ideal for fresh, par-baked and frozen doughs.
  - helps promote a rich, golden crumb color.
